

Priority® 2024 Impact Survey Results

WorkingSm@rt®

Over 2,560 companies and 33,030 individuals from around the world have completed our workshop effectiveness questionnaire since it was launched almost 17 years ago. In the last year more than 30 new companies and 280 individuals completed the questionnaire.

When asked “In what areas and by how much have you increased your effectiveness in the following areas?” - the average improvement identified by respondents was:

Essential Skills	% Increase/Improvement
Managing Email and technology tools	57%
Tracking Communications	52%
Managing Information	51%
Finding Information	49%
Planning and Organization	57%
Delegating/Assigning work	35%
Getting results/following up from meetings	38%
Stress reduction	44%
Improved teamwork	36%
Balancing work/life demands	39%

When asked “How much time have you gained each day as a result of the program?” The average of all the respondents, for all companies was +53 Minutes per day per person.

A Better Way To Work
